Betty Wales Coats

Betty Wales Dresses and Betty Wales Coats Are Unconditionally Guaranteed

FROM whatever source Betty Wales draws inspiration for her designs, her treatment of the idea is certain to be strikingly original and beautiful.

One of the new Betty Wales Coats is a smart belted model with shawl collar and cuffs of taupe wolf. Another is a graceful straight model of Fashiona, gathered on the hips and finished with a strap and buckle of silver and jet.

Delicious!

No other food you can buy for the same price contains so much actual food value in easily digestible form as Mueller's Spaghetti.

You should remember to ask for, and insist on Mueller's, for still another reason: It has a tasty, tempting, delicious Wheat Flavor all its own.

NottoknowMueller's, is not to know how really good to eat a spaghetti can be.

FULL-O-PEP DRY O-MASH

The one great mistake most poultry raisers make is in feeding scratch grains to make eggs. This more than any other reason is exactly why their hens don't lay. The feed that

Makes Hens Lay is FULL-O-PEP DRY O-MASH—originated and manufactured by The Quaker Oats Company—the largest manufacturers of poultry feed in the world. It is a soft, finely ground correctly balanced feed and how it does make the hens shell out the eggs. It is generally known and spoken of as "the greatest egg producing feed."

Come to our store and let us tell you more about this feed—the feed that is sure to make your hens lay—Fall and Winter as well as summer.
